

Statements of Labor charges for the Financial Year 2018-2019 Annexure-II

Sl.No.	Particulars	Ford Ranger Hilux (2017)	Santafe 2007 Model
1	Air cleaner changing		
2	Air cleaner servicing		
3	Arm Bush Changing		
4	Axle Bearing changing		
5	Ball Joint UP/LW changing		
6	Boot kit driveshaft changing		
7	Brake adjusting each wheel		
8	Brake disc cutting & changing		
9	Brake light Bulb changing each		
10	Brake light new changing		
11	Brake pad each wheel changing.		
12	Brake servicing each wheel		
13	Brake shoe changing		
14	C.V Joint changing		
15	Calibration & Servicing of FIP Service kit		
16	Cam shaft oil seal changing		
17	Center bearing changing		
18	Chamber opening, fitting & packing		
19	Clutch Master cylinder assy. changing		
20	Clutch Master cylinder kit changing		
21	Clutch plate changing		
22	Clutch release cylinder assy. changing		
23	Clutch release kit changing		
24	Coil spring changing		
25	Complete Spring bush changing		
26	Coolant changing		
27	Crank shaft grinding		
28	Cross Bearing changing each		
29	Crown Tail Overhauling		
30	Differential overhauling		
31	Engine block boring changing		
32	Engine Head facing		
33	EGR servicing		
34	Engine head removing and re-fitting.		
35	Engine linner boaring & fitting		
36	Engine oil with oil filter changing		
37	Engine overhauling		

Sl.No.	Particulars	Ford Ranger Hilux (2017)	Santafe 2007 Model
38	F.I.P removing and re-fitting, /servicing kit		
39	Fan belt changing		
40	Fan Changing		
41	Front /rear axle oil seal changing		
42	Front brake caliper kit changing		
43	Front hub oil seal changing each		
44	Fuel filter Changing		
45	Fuel filter servicing		
46	Fuel tank removing, servicing and re-fitting		
47	Gear box opening & fitting		
48	Gear oil changing		
49	Glow plug changing		
50	Hand Pump Changing		
51	Head gasket overhauling & gasket changing		
52	Head light bulb changing each		
53	Head light new changing		
54	Horn check up and repairs.		
55	Hub greasing both side		
56	Hub oil seal changing each		
57	Idle Bearing changing		
58	Indicator bulb changing each		
59	Injector nozzle removing and re-fitting		
60	King pin overhauling both side		
61	Knuckle Oil Seal changing		
62	Main bearing oil seal changing		
63	Master cylinder assy. changing		
64	Master cylinder kit changing		
65	Oil pump gear changing		
66	Pressure plate changing		
67	Radiator cap changing		
68	Radiator removing & re- fitting		
69	Radiator servicing		

Sl.No.	Particulars	Ford Ranger Hilux (2017)	Santafe 2007 Model
70	Release bearing changing		
71	Self overhauling		
72	Self starter removing and re-fitting		
73	Self starter repairing		
74	Shock absorber bush changing each		
75	Shock absorber changing each		
76	Silencer bracket/mounting changing		
77	Spring leaf changing each spring		
78	Spring recambering per set of spring		
79	Stabilizer bush changing each		
80	Stabilizer Link Bush changing		
81	Steering Bush check up and repairs		
82	Steering rack end changing		
83	Suspension Arm Bush		
84	Tail pinion bearing changing		
85	Tail pinion oil seal changing		
86	Tappet adjusting		
87	Thermostat valve changing		
88	Tie rod end changing each		
89	Timing belt changing		
90	Timing gear cover oil seal changing		
91	Turbo Charger changing		
92	Valve Guide Cutting & fitting		
93	Valve seat changing		
94	Valve setting		
95	Wheel Bearing changing		
96	W.C.kit changing each front /rear wheel		
97	Water servicing		
98	Wheel alignment		
99	Wheel drum turning/facing		
100	Whole body Greasing		
101	Whole body nut & bolt tightening		
102	Wiper Blade Assy. Changing		
103	Windshield Glass Changing (Front)		
	Sub Total Nu.		
	Grand Total
