**ROYAL AUDIT AUTHORITY**

**USER MANUAL FOR MEMO RECOVERY  
USING MBOB**

**Version History**

Sl. No.	Version No.	Release Date	Updates Description
1.	1.0	08-01-2024	This user manual is to be used by individuals what want to deposit audit memo amount

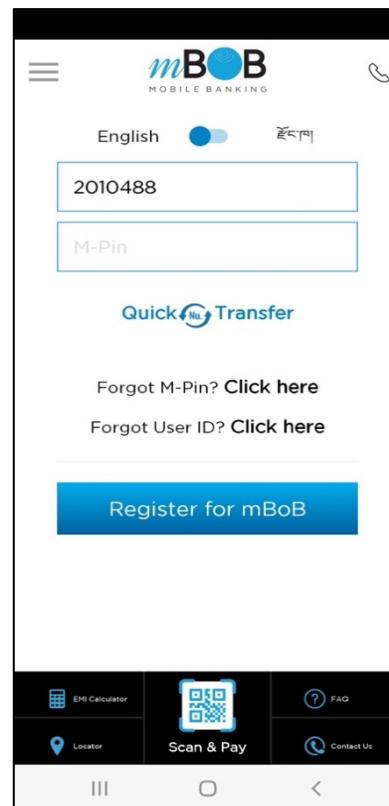

## 1. Prerequisites to make memo recovery using mBOB of Bank of Bhutan Ltd.

- i. User needs mBOB App on their phones: please download using Play Store (android) or Apple Store (iOS).
- ii. Users need to know the AUDIT IDENTIFICATION NUMBER (AIN).
- iii. Memo recovery should be created in Audit Information Management System (AIMS).

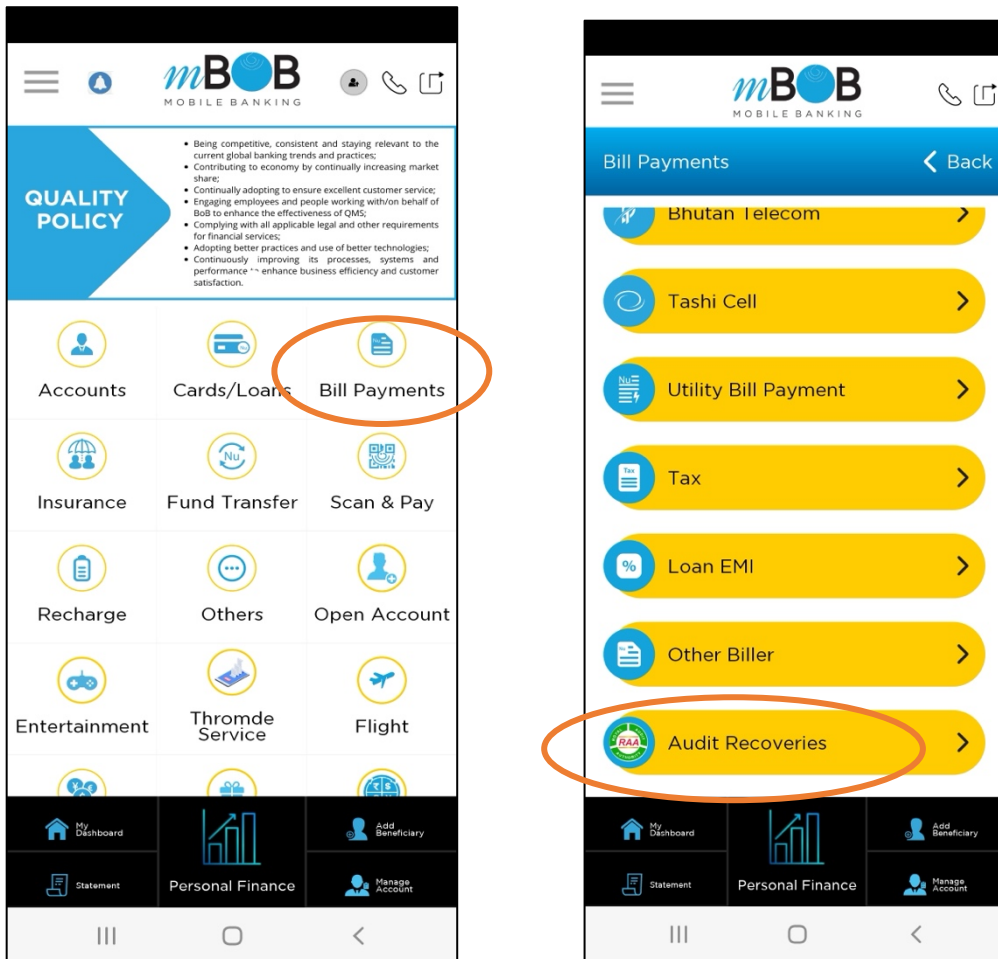

## 2. Audit Recoveries

Audit Recoveries is a new feature added in mBOB to facilitate individuals in paying the amount they are accountable for during audit. To make audit recoveries, follow the following steps in mBOB:

- i. In order to initiate memo recoveries in mBOB, firstly, individuals should inform the team conducting audit in your agency to create memo recovery in AIMS.
- i. Once memo recoveries are created by auditors, users or individuals can open mBOB app and log in.

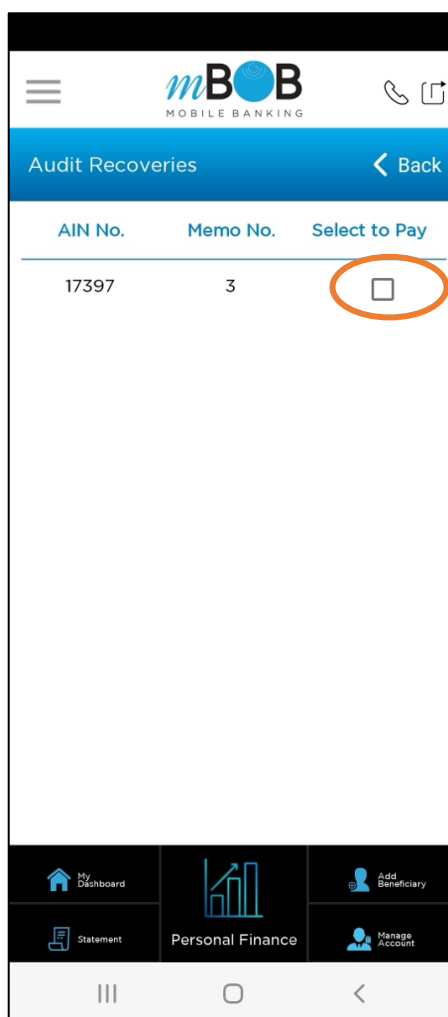

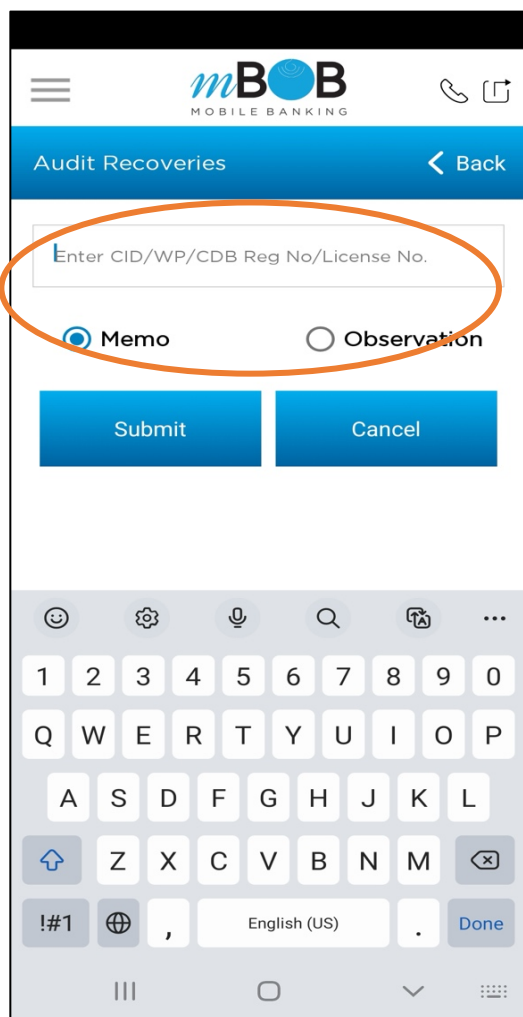

- ii. Select or click '**Bill Payments**' feature from the list of options. *Important Note: Individuals should never use the 'Fund Transfer' feature in mBOB while making audit recoveries as making payment using this feature will not update the transaction in AIMS.*
- iii. After selecting "Bill Payments", please select '**Audit Recoveries**'.

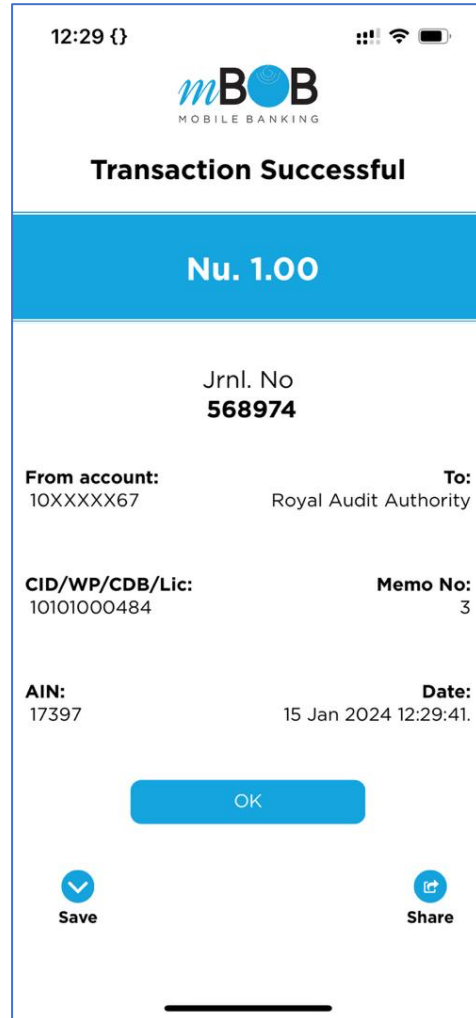

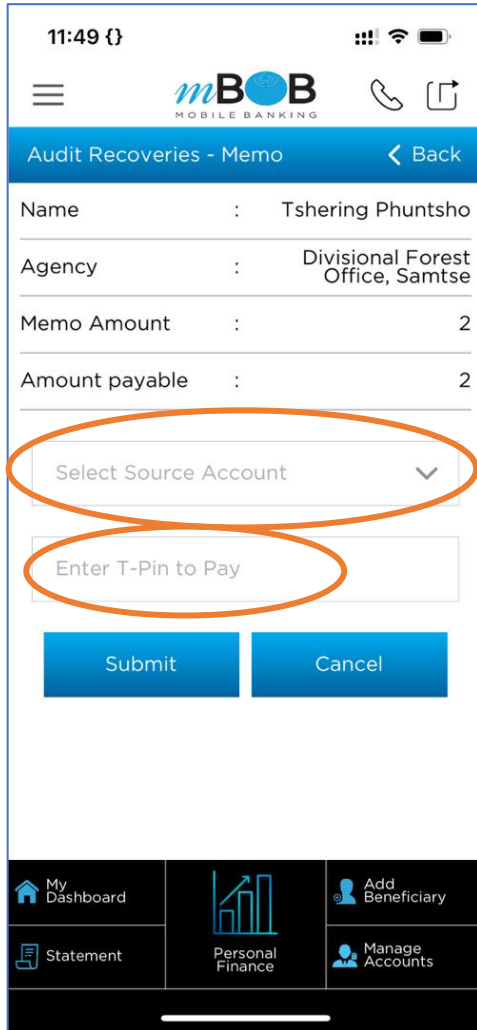

- iv. Select '**Memo**' option for memo recovery. Enter either your CID or CDB No. or License No. and then click '**Submit**' button.

- v. AIN or a list of AINs with memos will be displayed for selection. Check the box under the **'Select to Pay'**, for which you want to make payment. You can also make multiple selection, if you have more than one memo to make payments.

- vi. The memo details along with memo amount will be displayed. *Since partial payment is not allowed, the amount payable is same as the memo amount.* To make payment, select the source account and enter your T-PIN.

- vii. Once the payment is successful, take screen shot of your transaction and open AIMS using the URL: <https://aims.bhutanaudit.gov.bt/> to print electronic Receipt.
- viii. On the left side pane, click on the 'Print/Download eReceipt' menu and enter CID or CDB No. or License No. (the same identity number you have used in the beginning to make memo recovery in mBOB)
