## • BACKGROUND:

Founded in 1956, our firm, DE & BOSE is one of the reputed and old Chartered Accountants firm in Kolkata. Since its formation, the firm has been constantly performing a variety of assignments in the fields of Finance and Accounts. Ranging from conventional Audit & Assurance job like Statutory Audits, Tax Audits, VAT/GST Audits, Internal Audits in corporate, PSUs, banks, insurance companies and Partnership Firms to Consultation jobs in the field of Direct and Indirect Taxations, preparation of Fixed Assets Register/Inventory Register, valuation of shares and other certification works have been our area of expertise.

Three experienced and aspiring Chartered Accountants, Sri Amulyadhan De, Sri Kashinath Bose and Sri Durgadas De formed this firm on the 1<sup>st</sup> day of September in the year 1956. Senior most among these three founder partner, Sri Amulyadhan De was a GDA in erstwhile British India and had served as the Chief Commissioner of Income Tax in Kolkata circle. After his retirement, he wanted to utilize his vast knowledge and experience in his fields of expertise- audit and tax consultation. He found Sri Kashinath Bose as a knowledgeable and matching partner. And Sri Durgadas De, a young and energetic Chartered Accountant, having served articleship at Lovelock Lewis, joined their hands to strengthen the firm.

Since then, the firm has seen many ups and downs, has encountered many challenges and encountered well. Under leadership of so many respected and able partners over the years, the firm has achieved many successes, has touched new heights and kept hanging in there.

Besides maintaining its base at Kolkata, the firm started a new branch in Mumbai in the year 2000 to carry out the professional assignments in western part of the country. In tune with the growing client base and amount of work, the firm also opened a new branch office in Kolkata in the year 2005.
